

# Our Curriculum

We use  
'Earthschooling'  
Curriculum for grades  
6-8 and Oak Meadow  
Curriculum for Grades  
8+

The grades follow the USA/Waldorf System therefore Grade 6 is typically age 12+;  
In addition to the topics below children choose their own electives and projects and get credits for this; For mixed age groups we hold higher expectations for more able pupils;  
Sports includes tennis, football, basketball and circus skills;  
All children also engage in permaculture, woodwork, farming courses and horse-riding.  
Forest School is offered weekly with a trained level 3 Instructor
